

## Asbestos: New Frontiers in Management, Science, and Care

Wednesday 18 September 2024, 5-6pm AWST

Join the [National Centre for Asbestos Related Diseases \(NCARD\)](#) at this public seminar. You will hear from experts about hazard management, machine learning in mesothelioma research, and the latest advances in our understanding of asbestos-related diseases.

This is a chance to hear the latest news, ask questions and network with researchers and people who have been impacted by asbestos-related diseases.

### Speakers

- Samuel Jackson (Thuroona Services)
- Dr Melvin Chin (Sir Charles Gairdner Hospital and NCARD)
- Prof Jenette Creaney (NCARD)

### Agenda

- 4:30pm – Check in (for in-person attendance)
- 5:00pm – Asbestos: New Frontiers in Management, Science and Care
- 6:00pm – Refreshments and networking (for in-person attendance)

### Location

Room G24, Harry Perkins Institute building, QEII  
6 Verdun St, Nedlands WA 6009

We will also be live-streaming the event. If you can't make it in person, join us online!

**RSVP is essential.**
