

NAVIGATIONAL BRONCHOSCOPY MASTERCLASS 2026

institute for
RESPIRATORY HEALTH

Presented by
The Institute for Respiratory Health and
Sir Charles Gairdner Interventional Bronchoscopy Group

A complete navigational hands-on workshop

- **Advanced linear and radial EBUS techniques**
- **State-of-the-art robotic bronchoscopy**
- **Comprehensive bronchial branch tracing**
- **Newer navigational imaging modalities**
- **Bronchoscopic tumour ablation techniques**

WHY ATTEND

- **Expert international and national faculty**
- **Hands-on experience with Ion robotic bronchoscope**
- **>12 hours practical training over 3 days**
- **Small group learning (2:1 trainee-trainer ratio)**
- **Cadaver, animal and high-fidelity simulation models**
- **Premier surgical skills training center @CTEC**

20 – 22 JULY 2026
MONDAY – WEDNESDAY

NAVIGATIONAL BRONCHOSCOPY MASTERCLASS 2026

INTERNATIONAL FACULTY

Prof Fabien Maldonado
Vanderbilt University
USA

Dr Sze Shyang Kho
Sarawak Hospital
Malaysia

NATIONAL FACULTY

Prof David Fielding
Dr David Manners
Prof Jonathan Williamson
Dr Lokesh Yagnik
Dr Matthew Salamonsen
Prof Phan Nguyen
Dr Taha Huseini
Dr Catherine Goddard (Anaes)
Dr Celia Green (Pathology)
Dr Mark Teh (Radiologist)
Dr Miguel Mesa-Guzmán (TS)

CONVENORS

Prof Rajesh Thomas, Dr Dhaval Thakkar
Prof Edward Fysh, Dr Xinxin Hu

COURSE STRUCTURE

DAYS 1-2:

- Radial EBUS
- Bronchial branch tracing
- Imaging/Software navigation
- Robotic bronchoscopy

DAY 3:

- Advanced linear EBUS (mini-EBUS, cryobiopsy, EUS-B)
- Bronchoscopic tumour ablation

Registrations open – places are strictly limited

Early Bird Fees: \$2,900

Full Fees (from 1st June): \$3,500

resphealth.org.au/event/navigational-bronchoscopy-masterclass-2026

Includes

- Course dinner and social program
- Complimentary “Endobronchial Ultrasound *Made Easy*” textbook
- Catering on all days
