

# Clinical Trials Physician

Part-time position

The Institute for Respiratory Health is a not for profit medical research institute committed to creating a better life for those living with respiratory conditions. We seek to do this by bringing together world-class researchers and clinicians dedicated to investigating, diagnosing, treating and preventing respiratory illnesses.

Applications are invited from Medical Practitioners with appropriate qualifications and registration with the Medical Board of Australia (via the Australian Health Practitioner Regulation Agency). Applicants should ideally possess clinical trials and/or research experience.

The Institute for Respiratory Health Clinical Trials Unit is highly regarded as a premier respiratory trials unit in Australia conducting trials in asthma, COPD, idiopathic pulmonary fibrosis, bronchiectasis, cystic fibrosis, pulmonary hypertension, and alpha 1-antitrypsin deficiency.

This appointment will be on a casual basis Flexible hours, preferably Thursday and / or Friday (5 – 10 hours per week). Benefits include generous salary packaging as well as a flexible and friendly work environment.

## **Responsibilities of the Clinical Trials Medical Clinician will include:**

1. Under the direction of the Principal Investigator, responsibility for the medical component of clinical trials as required by protocol. Specific duties include taking medical histories, diagnosis, physical examinations, medical supervision and monitoring, providing medical advice, writing prescriptions and providing medical opinion for all patients participating in clinical trials. Opportunities to attend protocol related meetings both interstate and overseas exist.
2. Working closely with other members of the Clinical Trials Unit and sponsors to ensure that data of the highest quality is collected, Good Clinical Practice is performed, and protocols are followed.

All job applications should include the following information:

- Curriculum Vitae (including contact details of 2 x referees)
- Confirmation of Australian Residency or citizenship status
- Details of Primary Medical Degree and/or other degrees
- Willingness to get a National Police Clearance certificate or copy of your Criminal Record Screening Card
- Details of Medical registration certificate

For more information about the role or to submit your application please email [alana.perchard@resphealth.uwa.edu.au](mailto:alana.perchard@resphealth.uwa.edu.au) or call 6457 3198.

*The Institute reserves the right to appoint by invitation or to not appoint.*
